Ref. No.: DTU/COE/2024/SUPP-REG/891 **Dated: 2024-08-01**

NOTIFICATION: GUIDELINES FOR SUPPLEMENTARY AND MAKE-UP EXAMINATIONS

The Controller of Examinations notifies the rules governing Supplementary and Make-up Examinations for B.Tech students:

1. Supplementary Examination Eligibility:
A student who secured an 'F' grade in a theory course during regular semesters is eligible to register for the Supplementary Examination in the summer semester, provided they were NOT detained due to attendance shortage. Detained students must repeat the entire course.

2. Passing Criteria (Clause R.1(B).18):
To pass a theory course, a student must secure at least **40.0%** aggregate marks (internal + external). In supplementary exams, the internal marks secured during the regular term are retained.

3. Make-up Examination (Clause R.1(B).23):
Students absent during regular End-Term examinations due to certified medical hospitalization or extraordinary grounds must apply within 10 working days of the exam to the HOD. A valid make-up exam awards standard grades rather than supplementary capping.

4. Fee Schedule:
Supplementary examination registration fee is Rs. 1,500 per paper, payable on the ERP portal before the notified deadline.
